# YAP Bologna

YAP Bologna is a group active for many years in the city of Bologna. Was created to support the activities of YAP Italy, especially for training, fundraising and awareness. Over the past two years, the activities of the group began to turn more specifically to the area of the city and the province of Bologna.

# YAP Bologna

The projects carried out and involve young people in youth centers in different types of activities, but with the common goal of raising awareness of issues of peace, non-discrimination, environmental sustainability. YAP in Bologna also participates in networks Volontassociate, “Table for Peace” and “Fa la cosa giusta”.
